## Description:

Dodsworth wanted adventure. He wanted to see the world. He especially wanted to visit New York City. What he didn't want was to be joined by a duck. A crazy duck. A duck that misbehaves. Young readers will laugh out loud at the duck's silly antics as Dodsworth has the unexpected adventure of his life in the Big Apple . . . and beyond.

My daughter is a first grader who was a good reader in Kindergarten, but wasn't very interested in reading for pleasure. A friend had discovered these books at the library and recommended them for her so I ordered Dodsworth in New York for starters. My daughter loved it! I ordered London, Paris, Rome, and Tokyo in one fell swoop. All have arrived except Tokyo which will be shipped this week. Anyway, my daughter relished each adventure and has even re-read each book in order to giggle at her favorite parts! Dodsworth and Duck are simply mesmerizing and hilarious, and I highly recommend this series!
