Description:

MORE THAN 100 MILLION COPIES SOLD WORLDWIDE SOON TO BE A MAJOR MOTION PICTURE When unworldly student Anastasia Steele first encountered the driven and dazzling young entrepreneur Christian Grey it sparked a sensual affair that changed both of their lives irrevocably. Shocked, intrigued, and, ultimately, repelled by Christian's singular erotic tastes, Ana demands a deeper commitment. Determined

to keep her, Christian agrees. Now, Ana and Christian have it all—love, passion, intimacy, wealth, and a world of possibilities for their future. But Ana knows that loving her Fifty Shades will not be easy, and that being together will pose challenges that neither of them would anticipate. Ana must somehow learn to share Christian's opulent lifestyle without sacrificing her own identity. And Christian must overcome his compulsion to control as he wrestles with the demons of a tormented past. Just when it seems that their strength together will eclipse any obstacle, misfortune, malice, and fate conspire to make Ana's deepest fears turn to reality. This book is intended for mature audiences.

Really unrealistic. Christian is a control freak and also Ana's orgasms are so unrealistic. Cmon now how would she orgasm like that with no foreplay ...I just don't care for the characters at all.
