Just received this book and it has beautiful healing prayers! My first book was a gift from my nephew I have used John's other book on Prayers that Rout Demons & Break Curses and it has helped me and my family and friends tremendously, one day we were having a family cook out and suddenly our dog began to bark and came towards the side of my sister like trying to attack something beside her but there was nothing there and suddenly my sister was being physically attacked by demonic spirits and was picked up and thrown and pushed to the ground and had 3 scratch marks behind her leg as it picked her up by the leg and tossed her up in the air and threw her on the pavement as other family members watched and were shocked to see what had just happened, she was hurt and my niece her daughter and other family members were about to call an ambulance but my sister refused and said this was something else she could not explain and asked if I can pray over her she had to be carried to the bed because she was hurt badly and with my strong faith in my Lord Jesus Christ and the prayers from the Rout Demons & Curses book my daughter and I began to pray over my sister she and as we were praying my sister started choking and could not close her mouth she said she felt as if something came out of her mouth like smoke and she was making these crazy noises were coming out of her mouth didn't seem to be her own my son saw a dark shadow demon looking thing come out of her mouth we didn't realize at the moment this demon had entered and had taken possession over my sister and as crazy it may sound it felt as if we were performing an exorcism on my sister it was so scary for her daughter and her daughter-in-law to watch what was going on that they were frightened and cried as we were praying over her. I would of never in a million years would of believed what just had happened! I've used these prayers to help cleanse my niece and nephew and a few friends and prayed in their homes and have casted out evil spirits from their homes, I even used this in my own home to rid of demonic possession, the closer we get to the Lord the more Satan will try to attack and will use all kinds of ways to distract you from your faith whether it be through events in your life or through your loved ones we must always stay focus on God and his power and of the Holy Spirit our battle isn't against the flesh, it's in the spirit realm of God and evil we must stay focused on the God because Satan will even attack through our minds and thoughts! We have no authority over Satan in ourselves, but God has all authority, and He fights on our behalf. Our response to Satan's attacks should include submitting our lives to God, living in a holy manner, praying for God's protection, and resisting sin. When we place ourselves under God's protection, Satan has no authority over us. He will flee! I belong perfect and I'm not much of a church goer but I surely read and listen to the word of God and have great faith and gratitude and give him daily thanks for all his blessings and protection, not one minute do I not thank him for this or that and I try to live my life as much as He our Lord would want me to, for example giving what others may not have, not holding any grudges, forgiving those who have wronged me, and having love and compassion for everyone, and being at peace with others and not thinking I am not better or higher no other man or better than a poor drug addicted homeless. I want to give thanks to John Eckhardt for all his prayer books and most importantly to Our Lord put God first in your life before anything else and always be thankful and grateful and you will truly be blessed, I encourage every one to read your bible get to know God on a personal level we are living in end times King Jesus will be coming soon like a thief in the night no will know when and Satan is out there to devour as many souls that he can before his time comes to an end and buy John's books as help references to teach you how to pray or as a help guide and in your own personal needs over all your situations I've never met this guy John or no one paid me to say anything on John's behalf, I'm just spreading God's truth and promises! God bless everyone of you! Sincerely, Mrs.G.
