Description:

One of the bestselling Little Golden Books of all time. Once there was a tawny scrawny lion who chased monkeys on Monday—kangaroos on Tuesday—zebras on Wednesday—bears on Thursday—camels on Friday—and on Saturday, elephants! So begins the classic story of a family of ten fat rabbits that teaches the hungry lion to eat carrot stew—so that he doesn't eat them.

My 2 year old saw this book on the back of one of his other Golden Books. He asked for it a few times on separate occasions, so I went on and ordered it. He absolutely loves it! We have read it at least 10 times. My 9 year old even came and snuggled the first time we read it out loud.
