Description:

With stunning illustrations from celebrated artist Charles Santore and a child-friendly, abridged retelling that remains faithful to Frank L. Baum's original text, this Classic Edition of *The Wizard of Oz* is a must-have for every family's library. Readers of all ages will follow the Yellow Brick Road on an unforgettable journey that takes them from Dorothy's gray Kansas home into the blue Munchkin land; the sparkling bejeweled Emerald City; the dark, foreboding forest; and the ruby-red throne room of Glinda the Good Witch in this gorgeously illustrated, classic edition of *THE WIZARD OF OZ*.

Leave the story alone in its original format, offensive or otherwise. It was a great book, a great read.
