## Description:

The big steam train goes, CHUGGA chugga chugga CHUGGA chugga chugga CHOO CHOOOOOOO! The diesel train goes, zoosh zoosh ZOOOOOOOSH ding ding ding! The American goes, clang clang clang TOOT TOOT! All aboard! Take a trip on eight noisy trains as they huff, puff, and toot-toot their way through this lively board book! Perfect for the young train enthusiast.

I work at the library and do storytimes for babies and toddlers, and Steve Light's books ALWAYS go over well with the littles! The fun sounds are easy to get carried away with, and the bold letters and illustrations work perfectly with the long shape of the book. I adore the whole series!

Chapter 2 alone is worth the download (what one needs to train juicing diet). To me both stories were very similar as they both feature guys in dead-end trains who go off on a trip to another country (in All the Colors it's Thailand, and with My Sweet Saga it's Sweden), however I quickly got bored with that book and didn't finish it.
